Increases your efficiency: 4 in 1: round stripper, longitudinal stripper, hook knife and stripping station in one tool.

Increases your efficiency: Clean work thanks to cable cutting without crushing.

Increases your efficiency: The correct torque protects material from damage and means no follow-up work.

Increases your safety: Wiha slimBits ensure good, protected access to deep-set screws.

Offers you full protection: Each tool individually tested at 10,000 V AC and approved for 1,000 V AC.

Application: Insulated tools for working on charging stations and wall-mounted vehicle charging equipment.

The installation and commissioning of wall-mounted vehicle charging equipment require special qualifications on the part of the employees as well as safe, certified equipment. With the tool set, the user always has the right tool at hand. Safely stored away tidily in a robust multifunctional bag, these electrician's tools are eminently suitable for use when out and about. The Wiha bag has won awards. It is made using a patented design and wins fans with just how multifunctional it is to use. When folded out, it acts as a work bench stand to remove tools easily. The strap to hang the bag on the wall and the removable base create extra added value. The tool set optimises space owing to a comprehensive interchangeable bit system. Thanks to Wiha slimTechnology, the slimBit blades in the kit are up to 33% slimmer and can thus also easily reach low-lying screw and spring elements. When these slim blades are used with the extra-short Stubby handle, screws can be effortlessly reached even in confined spaces. The set contents can be used in a variety of ways, so you can always find the right tool for work on the distribution cabinet too.

Each tool in the set has undergone an individual piece test as per the international IEC 60900 standard, allowing users to work safely on live parts up to 1,000 V AC.

Manufactured acc. to IEC 60900.

Content:

- 1x Screwdriver with bit holder SoftFinish® electric slimVario Stubby
- 1x Screwdriver with bit holder SoftFinish® slimVario® electric
- 1x Torque screwdriver TorqueVario®-S electric variably adjustable torque limit
- 1x Universal key with double joint with triangular heads, square heads and double bit 7-9- 5 - 8- 3 - 5 (44001)
- 1x Stripping multi-tool for round cables 125 mm, 5" (44242)
- 1x Cable cutter Professional electric with switchable opening spring 210 mm, 8 1/4" (43662)

- 1x Needle nose pliers Professional electric with cutting edge curved shape, approx. 40° 200 mm, 8" (26729)
