RS Pro Black PE TV Cable Clip

Product Details

TV Cable Clips

Black UV stable polypropylene cable clips with hardened steel pins. The clips have a rounded body design which allows them to be fitted over the cable prior to fixing. The three sizes cover cable diameters from 5mm to 8mm. See cable stock no. 521-8133 (typical of range)

Note

Suitable eye protection should be used during installation of cable clips.

Cable & Wire Mounts
