

ENGLISH

Compacter Mounts

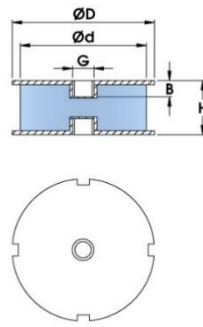

These mounts are ideal for use where equipment is subjected to high torsion and shear stress during operation. Typical applications include use in compactors, vibratory plates etc.

KBRA Mount

KBRB Mount

KBRC Mount

H = Height
 D = Diameter
 G = Tread
 L = Stud Length

RS Code	Item Code	Description	Metal	D (mm)	H (mm)	GxL (mm)	Max Compression Load (kg)	Max Deflection (mm)
