

Datasheet

RS Pro Cable Trunking Coupler Galvanised Steel Flanged Coupler

RS Stock No: **562-930**

Product Details

RS Pro cable trunking coupler is a flanged coupler that is made of galvanised steel. It is used for supporting trunking ends to walls or vertical supports. It can also be used by connecting into an existing trunking run where it would be difficult to remove the trunking to fit a tee. The selection of fittings that enable you to configure your installation from pre-coated galvanised steel, incorporate quick release style lids. All fittings come supplied complete with fixing screws.

Features and Benefits

- Measures 50 x 50 mm
- Supplied with fixing screws
- Made of galvanised steel
