

FEATURES

- Glass clear transparency
- Excellent abrasion and corrosion properties
- Good flexibility
- Low toxic, odourless PVC formulation reducing the taint of drinking water
- EC compliant for food applications
- Suitable for use with alcohol, petrol, oils, greases and solvents
- Highly resistant to a wide range of acids and alkalis

RS PRO PVC Flexible Tubing, Clear, 31mm External Diameter, 25m Long, 279mm Bend Radius, Applications Various

RS Stock No.: 914-5503

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS Pro clear PVC hose suitable for low-pressure food and industrial applications. This hose is manufactured from high quality, low toxic materials to give excellent clarity, flexibility and durability over a wide temperature range.

General Specifications

Material	PVC
Colour	Clear
Reinforced	No
Nominal Size	25mm x 31mm
Flammability	Self-Extinguishing
Application	General industrial applications; Scientific; Pharmaceutical; Medical, Alcohol, Grease, Oil, Petrol, Solvent

Mechanical Specifications

Inner Diameter	25mm
Outer Diameter	31mm
Length	25m
Bend Radius	279mm
Weight Per Meter	0.320kg
Coil Weight	9.60kg

Operation Environment Specifications

Minimum Operating Temperature	-15°C
Maximum Operating Temperature	+60°C

Approvals

Compliance/Certifications	RoHS compliant
