RS PRO 3mtr 36 Way Centronics Male to 36 Way Centronics Male Printer Cable

Stock number: 182-8819

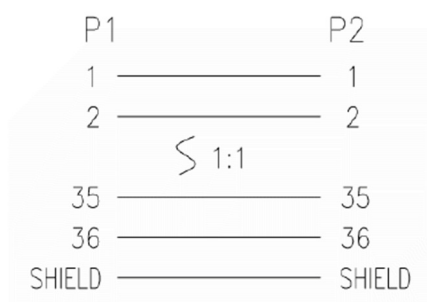

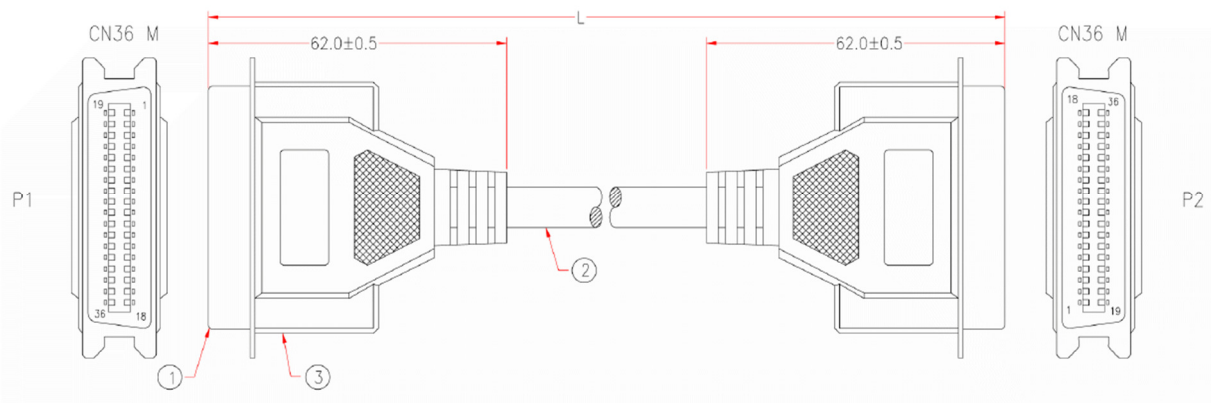

EN

The RSPRO 3 metre 36 way male to 36 way male Centronics printer cable, commonly known as a parallel printer cable, which has a beige PVC jack and an outer diameter of 7mm. The connectors have a gold flash covering to prevent corrosion.

The connector hoods are also made of beige PVC with a strain relief to prevent the jacket splitting around the boot.

Older printers have parallel connections on them which has now been replaced with USB or wireless connections.

A Centronics to Centronics cable is most likely to be used between a printer and a switch.

3	BLACK PVC TUBE $\phi 3.0 \times 30 \text{mm}$
