

Features

- Suited to aluminium profiles
- Material Wings: Plastic PA, glass fibre reinforced
- Axle: Stainless steel
- Colour: Black
- Fastening from the front, using M5 countersunk screws

RS PRO Door Components, PA Door Hinge, 30 20 mm Strut Profile

RS Stock No.: 180-9098, 180-9099, 180-9100

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Make your panels or aluminium profile struts easier to connect and manoeuvre with the RS PRO mini door hinges. Combining plastic PA, glass fibre reinforced and a stainless-steel axel these hinges are strong, robust, and well suited to connecting aluminium profiles in multiple ways. During application, the hinges secures in place via M5 countersunk screws.

General Specifications

Material	Wings: Plastic PA, glass fibre reinforced Axle: Stainless steel
Colour	Black
Fastening	From front, using M5 countersunk screws

Mechanical Specifications

RS Article no.	N	Fastening	Weight [g]	FA max [N]	FR max [N]
