RS Stock No.: 665-7671

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO 19 inch Steel Chassis Rack Mount Trays

This range of aluminium steel 19 inch rack cases from RS PRO offer an excellent storage solution for 19 inch rack mount systems. The external case is manufactured from aluminium and steel, ensuring a highly durable and robust chassis. The front panel of the rack case features an anodised aluminium construction to further enhance the durability and corrosion resistance, whilst protecting internal components. These high quality rack cases also feature two handles for ease of installation and safe removal.
