RS Pro Antistatic Zipper ESD-Safe Bag

RS Stock No: **431-9550**

Product Details

RS Pro antistatic zipper bag is designed to protect ESD sensitive components and assemblies from all harmful aspects of static electricity. The Faraday cage design ensures ESD-safety. The 3-layer, buried metal design offers dissipative outer, antistatic inner and buried metal for complete ESD-safety. The zipper lock offers convenient, easy closure thereby guaranteeing ESD protection. This bag measures 10 x 12 Inch.

Features and Benefits

- Protects ESD sensitive components and assemblies from all harmful aspects of static electricity
- Faraday cage design ensures ESD-safety
- 3-layer, buried 'metal' design offers dissipative outer, antistatic inner and buried metal for complete ESD-safety
- Zipper lock offers convenient, easy closure thereby guaranteeing ESD protection

Specifications:

Closure Type	Zipper
Material Properties	Anti-Static
Quantity Per Package	100
Width	10 in
Height	12 in
