

## Datasheet

# RS PRO Angular Contact

Stock No. 2058753

### Technical Specifications:

Id (mm)	20
Od (mm)	47
Width (mm)	14
Material	Steel

## Features & Benefits:

Angular contact ball bearings come with a 40° contact angle. The large contact angle accommodates moderate to large axial loads as well as light to moderate radial loads, will only allow an axial load in 1 direction, to accommodate axial loads in various directions the bearings can be paired. Typical mounting combinations include DB (Back to back), DF (Face to face) and DT (Tandem).
