

## FEATURES

- Clean, flexible and user-friendly
- Reduced plasticiser migration
- High visibility triple stripe
- Excellent resistance to UV / Ozone
- Silicone and Cadmium free

## RS PRO Air Hose Black/Yellow PVC Nitrile Blend 14mm x 30m GPA Series

RS Stock No.: 197-8500

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

A cost-effective, high-performance TPE alternative to rubber hosing. While looking and feeling like rubber, it has many advantages including a longer lifespan. Manufactured from a hard wearing PVC Nitrile blend, this ergonomically friendly super-flexible product is a real winner in many industrial environments.

### General Specifications
