### Product Description

Introducing the range of RS PRO Bugle Deck Wood Screws, a high-quality fastener solution for applications where a flush finish is required on plasterboard or wood panels. Each fastener is made from steel with a dacromet coating, making them much more cost-effective than their stainless-steel counterparts, while offering a high level of protection against surface rust and oxidation.

#### Applications:

- Carpentry construction like decking, railings and small frames
- Building work and construction
- DIY
