PREMIUM QUALITY

28 Litres Cylindrical Stainless Steel Bin

with Concave Lid & Leakproof Plastic Inner Bin

Stylish • Durable • Hygienic

A cleaner space for a better tomorrow

High-Quality Stainless Steel Construction

Durable, rust-resistant and built to withstand daily wear and tear, while maintaining a sleek, polished appearance.

Concave Lid for Enhanced Functionality

Adds a modern touch, keeps your space fresh and clean.

Leakproof Plastic Inner Bin

Prevents spills and leaks. Easy to remove, clean and replace for a more hygienic experience.

Generous 28-Litre Capacity

Ideal for medium to high waste disposal needs. Less frequent emptying, saving time and effort.

Compact & Space-Saving

Measuring 305mm (D) x 670mm (H), it fits saemlessly into tight spaces without compromising on capacity.

Easy to Clean & Maintain

Smooth stainless steel surfaces resist stains and are simple to wipe clean, keeping it looking pristine for longer.
