BIKE CARE SET

whether it's a trip through the forest, on gravel roads in the mountains, or just your everyday ride to the city or to work. Your bike is a loyal companion regardless of the weather – in sunshine, rain or snow. In order to help you to clean and care for your bike after long trips, we have developed the WEICON Bike Care Set. The set comprises high-quality specialty products and provides everything you need to clean, protect and lubricate your bike.

Whether you have an e-bike, mountain bike, gravel bike, racing bike, trekking bike, city bike, Dutch bike, or folding bike – the set is suitable for all types of bicycles.

YOUR BIKE TAKES CARE OF YOU /
... AND WE TAKE CARE OF YOUR BIKE

- ✓ clean your bike
- ✓ firmly foam in
- ✓ clean your bicycle drive
- ✓ polishing your bike
- ✓ oil your bike chain
- ✓ protect screw connections
- ✓ secure screws

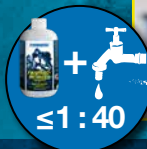

BIKE CLEANER

✓ CLEAN YOUR BIKE

The Bike Cleaner removes dirt, degreases and is suitable for all surfaces made of metal, plastic, rubber, carbon, and aluminium. The effective power-cleaner removes even stubborn dirt, such as oil, dried mud, dust, grease, and resin.

70205500

MULTI-FOAM

✓ FIRMLY FOAM IN

The powerful foam cleaner removes stubborn dirt, such as insect residues, smudges and dirt layers even from painted surfaces. From the front light to handlebars, gears, frame, rims, spokes, pedals, saddle, mudguards and the tail light. Multi-Foam can also be used to clean accessories such as the bicycle helmet, child seat, saddlebag or bicycle trailer and gently removes stains from textiles.

70200400

BIKE DRIVE CLEANER

✓ CLEAN YOUR BICYCLE DRIVE

The efficient special cleaner is suitable for all-purpose use and cleans, degreases and evaporates without leaving residues. The spray removes dirt from bike chains, chain rings, sprockets, rear derailleur, rims, etc.

CARE SPRAY

✓ POLISHING YOUR BIKE

With this care product, you can clean your bike and bring back its former shine! The spray serves as cleaner, corrosion protection, lubricant, and contact spray, all rolled into one product, and thanks to its special PTFE formula, it maintains all surfaces on your bike.

70250150

BIKE CHAIN OIL

✓ OIL YOUR BIKE CHAIN

Thanks to its special PTFE formula, the efficient Bike Chain Oil ensures your bike chain and other moving parts on your bike to run extremely smoothly. Ideal for lubrication as well as protection against dirt on the bike chain, sprocket, cassette, rear derailleurs, and co. The white oil allows easy visual inspection of the lubricated areas. Shake before use.

70700030

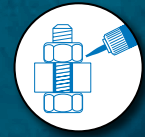

ANTI-SEIZE HIGH-TECH

✓ PROTECT SCREW CONNECTIONS

Anti-Seize High-Tech serves as corrosion protection and high-performance assembly paste for extremely stressed screw connections on your bike. With the paste, screws can no longer seize up and pedals and quick-releases can be safely dismantled again if necessary.

26100000

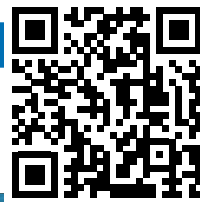

WEICONLOCK AN 302-43

✓ SECURE SCREWS

With WEICONLOCK AN 302-43, you can secure all screw connections on your bicycle. Whether on cobblestones or downhill rides – your screws will not shake loose anymore!
