## Datasheet

### 1/4" Hexagon Phillips No.2 Bits

RS Stock number 252-927

#### Specification

**Material:**

Chrome molybdenum steel for screwdriver bits

**Finish:** Sandblast finish for screwdriver bits

**Contents:** 5 pc-Phillip tip no. 2 screwdriver bits

**Feature:**

All bits have a hexagon shaft section (1/4 in. across flats) with notches which enable them to locate and latch into the appropriate driver

Bits are made from chrome-vanadium steel with a grey rustproof finish
