# RS PRO Waterproof Plastic Equipment case With Wheels, 625 x 420 x 340mm

RS Stock No.: 124-6582

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

When you need to transport your gear safely, turn to this RS PRO equipment case. With alveolate foam on top and precut foam at the bottom, it lets you safely carry valuable tools and devices. A foldable pull-out handle and two trolley wheels make for easy lugging anywhere you go.

High-quality black polyurethane construction with steel hinges ensures all-round toughness and durability. For security during travel, the case comes with closings that can be secured with padlocks. The rugged watertight design is backed by an IP67 rating, meaning total protection in dusty, dirty and sandy conditions, plus the ability to withstand immersion in a meter of water for 30 minutes.

## General Specifications
