RS PRO Clear 3m PVC STRIP CURTAINS, 300mm x 3mm

RS Stock No.: 325-0927

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO PVC strip curtain are long lengths of PVC which are fixed to a hanging rail. They form a vertical curtain and can be attached across the top of a doorway and are ideal for internal doors and personnel access. These PVC curtains are designed to stop insects and debris coming into the open doorway as well as temperature control.
