30S15 Stainless Steel Sheet

RS Stock number [770-2968](#)

Description:

General purpose, non-magnetic stainless steel possessing good weldability, formability and general corrosion resistance.

Excellent material for polishing.

Suitable for food and dairy processing equipment, laundry and chemical industry, process plant and tanks.

Specifications:

Material: 304S15 Stainless Steel

Length (m): 1

Thickness (mm): 1

Width (mm): 500
