RS PRO 4m 5 Socket Type E - French Extension Lead, 250 V

RS Stock No.: 296-264

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS Pro, this robust multi-socket is ideal for powering several devices from a single mains power outlet. With multiple French Type E sockets leading to a French Type E plug, this socket can be used primarily in France, but also in several other countries, such as the Czech Republic.
