

## FEATURES

- One touch, push-to-connect configuration allows instant tubing connection
- Threads are Teflon coated

# RS PRO

## One Touch Fittings Swivel Positional Elbow

RS Stock No.: 2351208

Metric Tube to Thread

### Product Description

Part No.	Tube OD	Thread
2351208	10 mm	1/4" BSPT

## Features

- One touch, push-to-connect configuration allows instant tubing connection
- Threads are Teflon coated

## General Specifications

<b>Suitability</b>	Air (No other type of gas or liquid) Do not use in water applications
<b>Working pressure</b>	0 to 10.2 bar (0 to 150 psi)
<b>Negative pressure</b>	-29.5 in Hg / -750 mm Hg (-750 Torr)
<b>Working temperature</b>	0°C to +60°C (+32°F to +140°F)
<b>Application tube</b>	Polyurethane and nylon

## Materials

<b>Locking Claw</b>	SUS
<b>Case</b>	PBT
<b>O ring</b>	NBR
<b>Release sleeve</b>	POM
