

## FEATURES

- Water Resistant Frame
- Strong Media Support mesh
- Hydrophobic Filter media
- Low Energy Use
- Save Money
- Reduced CO2

# RS PRO EnergySaver Panel 25x20x1

RS Stock No.: 2560570

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The **Energysaver** pleated Panel filter is an low energy use specific disposable product offering a better than basic level of filtration, or pre-filtration in HEVAC applications. This product is made using patented media which offers extremely low filter resistance, combined with a very high pleat count this filter delivers huge energy savings.
