

Datasheet

RS PRO USB 2.0 A Female to USB 2.0 B male

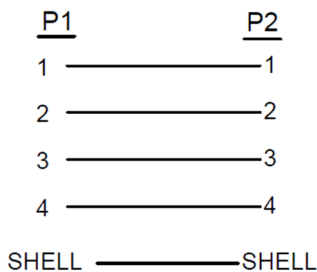

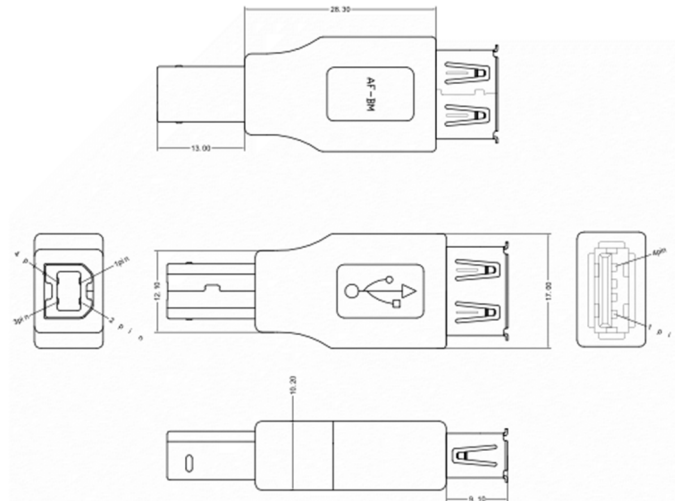

Stock number: 182-8479

EN

The RSPRO USB 2.0 A female to B male adapter has a PVC black hood and PE insulation.

There are 5 internal wires which are made from 28AWG copper wire.

This adapter is to convert a USB 2.0 A male to a USB 2.0 B male. This could be used with a device such as a printer or scanner.

P1:USB 2.0 B male

P2:USB 2.0 A female
