RS Pro 1 Pair Data Cable

RS Stock No: **812-4772**

Product Details

RS Pro 1-pair data cable has tinned copper conductors insulated with PE, wrapped in an aluminised tape with a tinned drain wire and a PVC outer sheath. This 20 AWG cable is designed to meet the special requirements of high speed data transmission systems associated with data processing or information systems, also for process and control applications.

Features and Benefits

- 1-Pair
- 20 AWG
- PVC sheath

**Specifications:**
