

SUPERSTEAM
THE CHOICE OF CLEANING PROFESSIONALS

Super-D

Heavy Duty Degreaser

Super-D is a heavy duty degreaser that breaks down and effectively removes carbonised soils, crusted dirt, heavy oils, grease, sludge etc. It can also easily remove permanent marker graffiti and tyre marks. It is recommended for use in kitchens, food factories, workshops, factories, contract cleaners and car parks.

Super-D is a water-soluble detergent containing a potent blend of various surfactants, alkaline builders and water soluble solvents. Non-toxic, biodegradable, non-flammable, non-corrosive and easy rinsing.

Benefits

- Powerful degreasing properties (easily remove grease and soils)
- Great cleaning results (even graffiti and tyre marks)
- Non-toxic (suitable for kitchens and food factories, thorough rinsing is required after cleaning)
- Water soluble and easy rinsing (dissolves readily in water)
- Multipurpose (use in wide range of areas)
- High concentration for greater economy
- Biodegradable

Suggested Areas of Application

- Kitchens, food factories, restaurants, BBQ pits
- Car parks, driveways, workshops, factories and forklift tyre marks
- Permanent marker graffiti

Directions for Use

Dilution may vary with specific conditions, general guidelines are:

- Heavy soils, grease or spot cleaning - dilute 1:20
- Normal soil, single disc scrubbing - dilute 1:40
- Light soil, mopping, autoscrubbing - dilute 1:60

For more information, free samples or no-obligations demonstrations, please call 6595 4333 or email to info@supersteam.com.sg
