RS PRO Clear Passivated, Zinc Steel Pan Head Thread Forming Screw, M3 x 5mm Long

RS Stock No.: 483-1202

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Opt for RS PRO thread forming screw. As they make their own holes, all you need to do is create a pilot hole smaller than the screw in the material, position the screw over the hole and drill into place using a screwdriver.
