| | 600x600 Surface Mounting Kit | - | - | - |
| | 1200x600 Surface Mounting Kit | - | - | - |

The RS Pro Backlit LED Panel range is a suitable solution for commercial applications. Available in both 4000 and 6000K offering both a cool/daylight lighting solution. This panel is fire rated to TPb standard and is compatible with a plug in 3hr emergency pack (sold separately). Available in both 600x600mm and 1200x600mm sizes, the RS Pro panel range offers flexibility to the installer. With its backlit LED configuration, throughout the life span of the product the light output remains uniform, without the risk of discolouration.

| Product Code | Supply Voltage | Power Factor | Wattage | Lumens | Luminaire Efficiency | Colour Temperature | Beam angle | CRI | IK Rating | Lifespan | Warranty |
|---|---|---|---|---|---|---|---|---|---|---|---|
| - | 220-240V AC | ≥0.9 | 36W | 3600Lm | 100 Lm/W | 4000K | 120° | ≥80 | IK02 | 30,000 Hrs | 3 Years |
| - | 220-240V AC | ≥0.9 | 36W | 3600Lm | 100 Lm/W | 6000K | 120° | ≥80 | IK02 | 30,000 Hrs | 3 Years |
| - | 220-240V AC | ≥0.9 | 60W | 6000Lm | 100 Lm/W | 4000K | 120° | ≥80 | IK02 | 30,000 Hrs | 3 Years |
| - | 220-240V AC | ≥0.9 | 60W | 6000Lm | 100 Lm/W | 6000K | 120° | ≥80 | IK02 | 30,000 Hrs | 3 Years |
