RS PRO 3.5 mm Cable Mount Stereo Jack Plug

RS Stock No.: 392-649

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this 3 pole stereo jack plug offers an economic and reliable solution to various audio applications. The phono connector is easy to terminate, and has a screw on metal screen. It also features a moulded cable sleeve to protect against potential damage caused by tugging and pulling of the cable. The metal screen has an ergonomic grip, to ensure the protection is fully protected. This jack plug has solder tab termination, and a nickel plated contact for a cost-effective phono connection solution.

Stock No. [392-649](#) is a stereo screened jack plug
 Stock No. [392-643](#) is a stereo insulated jack plug
