## RS PRO 300mm Steel Plier Set

RS Stock No.: 833-5929

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

This exceptional plier set from RS PRO consists of four high-quality pieces from Chrome Vanadium Steel. The plier set is great for those users who require a quality set from professionals (Mechanics) to general DIY'er as they are essential tools to have handy in the workplace. Working similar to standard pliers, however, circlip pliers feature specially shaped tips which can grip circlips so they can be removed or installed safely. The set is kept within a Foam Module tool tray designed for easy transportation and organisation.
