

33251

Measuring tape 5 m with belt clip

- **Meets your requirements** The auto-lock system keeps the measuring tape firmly fixed in every position.
- **Simplifies your work** Measurement comfort thanks to the ergonomic shape and anti-slip material.
- **Makes handling easier** A strong magnet at the end of the hook guarantees adhesion to all metal surfaces.
- **Saves time** Quick and easy reading of the measurement value thanks to a robust, high-contrast steel measuring tape.

Overview product details
