

## FEATURES

- Professional heavy-duty cable strippers with unique spiral-cutting facility
- Rotary, linear or spiral cut
- These tools embody unique spiral-strip selector for hard-to-strip insulations like butyl, rubber etc
- The PTFE blade housing, combined with an ultra-sharp blade, greatly reduces friction for smoother stripping

## RS PRO Wire Stripper, 4.5mm → 29mm

RS Stock No.: 262-0151

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

From RS PRO, this triple action cable stripper is ideal for removing the outer jacket of round multicore and single-core cables. It is able to cut through many types of insulation, including PVC and rubber.

- [262-0151](#) is a triple action cable stripper for 4.5 to 29 mm cables
- [262-0173](#) is a triple action cable stripper for 19 to 40 mm cables
- [262-0167](#) is a replacement blade for 4.5 to 29 mm cables

## General Specifications
