

ELEVATE YOUR SPACE WITH THE CYLINDRICAL STAINLESS STEEL UMBRELLA STAND

Stylish • Functional • Durable

Designed to combine durability with modern aesthetics, this umbrella stand is the perfect addition to homes, offices or commercial spaces.

Premium Stainless Steel Construction

Made from robust stainless steel, this umbrella stand is built to withstand daily wear and tear while maintaining its polished finish.

Leakproof Plastic Inner Liner

Prevents water leakage, keeping your floors dry and clean.

Sleek Cylindrical Design

Minimalist shape complements any decor, from contemporary to classic.

Generous Capacity

With dimensions of 305 mm in diameter and 650 mm in height, it can comfortably hold multiple umbrellas of various sizes.

Sturdy and Stable

Weighted base ensures stability, preventing tipping even when fully loaded.
