ENGLISH

Red 14 Litre Heavy Duty Mop Bucket

- *The main feature and benefit of this mop bucket is the dirt portion control which enables all debris and dirt to fall beneath the water line, keeping the water cleaner for longer*
- *Water level gradient and pouring spout*
- *Detachable wringer*
- *Highly visible with a hazard warning sign on either side of the bucket*
- *Very hardwearing and durable*
- *Strong and durable handle*
- *Compatible with both kentucky and socket mops up to 16oz*
- *Can be used as part of a colour coded cleaning system*
