

## FEATURES

- Built-in pressure sensor
- Rapid response control
- Precise control
- Easy change unit display  
psi, bar, MPa
- 2 metre cable
- IP65 protection
- Bracket

# RS PRO Electro-Pneumatic Regulator

RS Stock No.: 2351143

Straight Cable Connector Type – 2m

### Product Description

Part No.	Port Size
2351143	G1/4"

## Features

- Large flow rate
- Built in filter
- 4 Pin connector
- Error indicator
- Self-diagnosis
- Three colour display

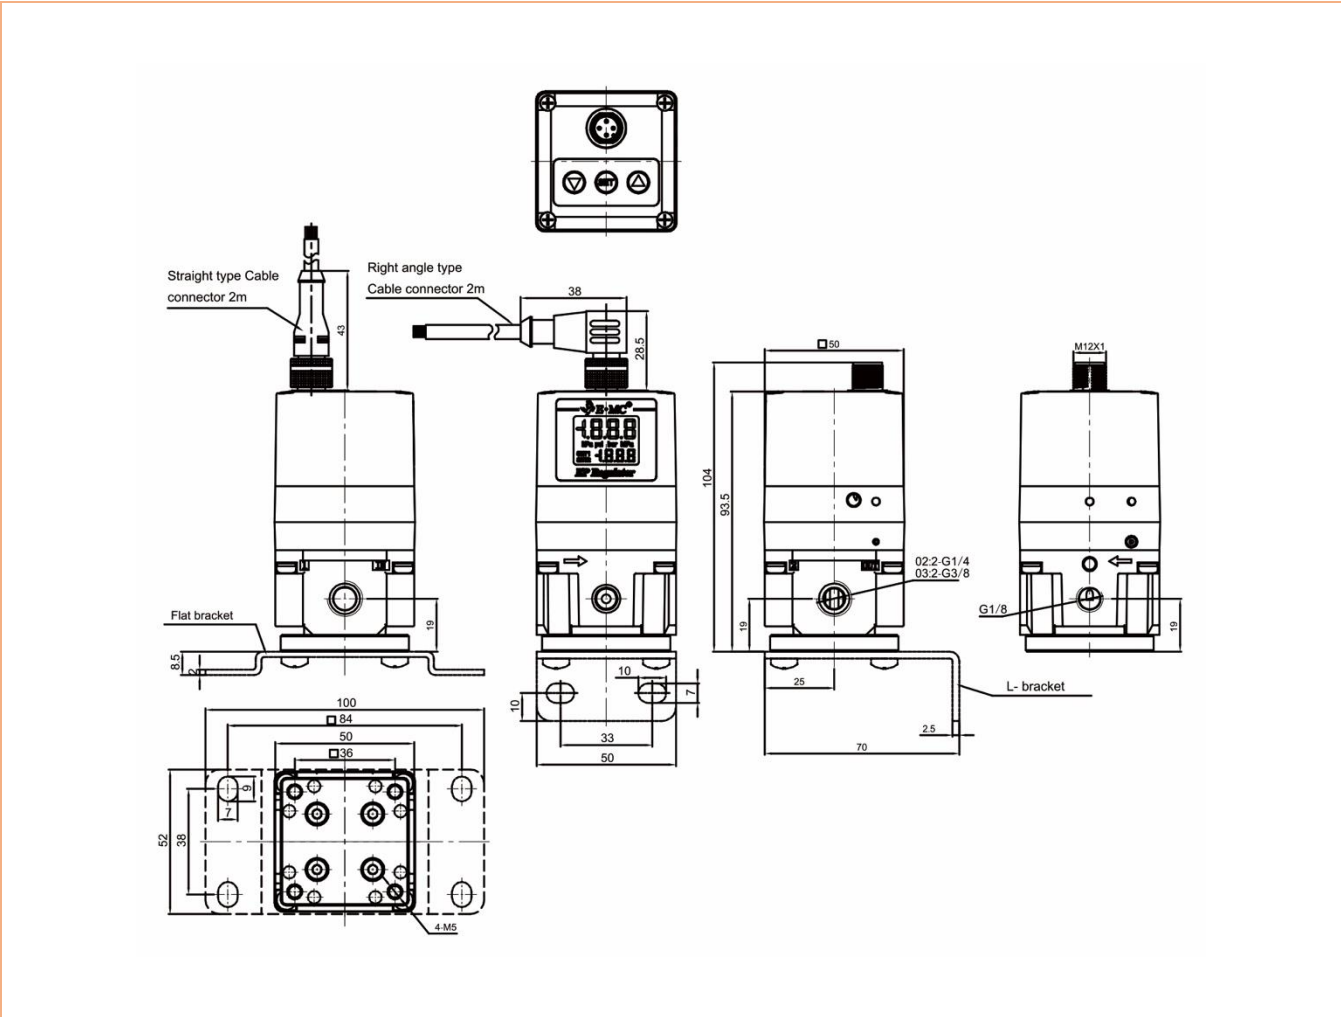

## General Specifications

<b>Accuracy</b>	0.5%
<b>Max. input pressure</b>	10 bar
<b>Temperature range</b>	0°C to + 50°C (dry air)
<b>Adjustable pressure range</b>	0 to 9 bar
<b>Input signal</b>	0-10v
<b>Flow rate</b>	1.5 Cv
<b>Port</b>	G1/4"

## Materials

<b>Regulator body</b>	Aluminium
-----------------------	-----------
