RS PRO 140mm Needle File Set

RS Stock No.: 123-0930

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this 12 piece needle file set is ideal for precision work. With a variety of profiles included, this high-quality set allows for detailed shaping and smoothing of metal, wood or even stone.

The 12 unique pieces allow versatility for almost any application where fine amounts of material need to be removed from a workpiece or material. Whether you are a professional or a hobbyist, this collection of needle files has everything you need and is supplied in a vinyl wallet.
