RS PRO Cable Clip Grey Self Adhesive Nylon Adjustable Clamp, 22mm Max. Bundle

RS Stock No.: 404-449

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS Pro, this robust adjustable plastic cable clamp is ideal for securely holding your cables together in permanent or semi-permanent installations. The fastener on this cable clamp has a ladder style design which enables it to be easily released and refastened. The base of the clamp is self-adhesive for easy and secure mounting. For a more robust fixing a mounting hole is provided on the base for an M2 flat head screw
