## RS PRO Silicone Heater Mat, 60 W, 200 x 300mm, 12 V dc

RS Stock No.: 731-372

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Heater mats designed for areas where standard heating methods are difficult to apply. All mats are self-adhesive and have etched foil elements embedded into a glass cloth supported rubber compound. These features provided you with a highly robust but flexible product. The range includes standard rectangular or circular mats powered at a range of voltages at various power ratings.

240 V ac type mats have a circular hole in the centre which can accept a bimetallic thermostat such as stock no. 339 -291
