RS PRO Steel Zinc plated & clear Passivated Self-Clinching Captive Stud

RS Stock No.: 827-445

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO self-clinching captive stud has zinc plated stainless steel construction and is clear passivated for corrosion resistance. This stud is designed for quick installation using a simple press. The stud measures 20 mm long and has M6 threads for a cost-effective means of threaded stud placement in thin sheet metal applications.
