Product Description

RS PRO screw mount cable ties are a type of fastener used for holding items together, most commonly electrical cables or wires. These cable ties are made from Nylon 66 (also known as nylon 6.6) and are a one-piece, self-locking fastener. Functioning like straps to keep cables tidy, they're available in a range of sizes and lengths.

The design of this cable tie includes a screw mounting hole and is suitable for binding cables or components and securing in position with a screw. These nylon cable ties should be an essential part of every toolkit. With the RS PRO wide range, there are a variety of lengths, widths and sizes to suit all your requirements.
