

BATA INDUSTRIAL® WRIGHT 3
SPORTMATES 3

This safety shoe from Bata Industrials is prized for its protection and comfort.

This sporty safety shoe features a composite toecap and mid plate for great protection against impact, as well as a grippy rubber outsole for traction.

Its breathable microfiber mesh body and EVA sole ensure that your feet remain comfortable and breathable as long as you work.

The Kepler is your optimal choice for a seriously safe work environment!

PRODUCT CODE
