

FEATURES

- National pipe threaded (NPT) connector
- Length of 26 mm
- Diameter of 1/4 inch
- Made from acetal copolymer
- Electrically non-conductive
- Chemical resistant
- Rust resistant
- Suitable for coolant, air and liquid applications

RS PRO 1/4in NPT Connector

RS Stock No.: 623-5038

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This national pipe threaded (NPT) connector from the RS PRO series is suitable for creating a junction with an NPT valve. The tapered threading provides a secure, fluid-tight fit as it matches with the threading on the matching component. This flexible coolant hose can be used with liquid, air and coolant applications.

General Specifications

Type	NPT Connector
Systems	1/4in
Material	Acetal Copolymer

Mechanical Specifications

Total Length	26mm
Number Of Segments	4
Size	1/4in

Approvals

Compliance/Certifications	EN61340
