

Verge CF3

QB-VERGE-CF3-LF

- Excellent High Performance Polyethylene / Stainless Steel Cut Resistant Liner
- Strong Coating Adhesion
- Exceptional Comfort & Breathability

Applications:

- Automotive assembly
- Engine / Transmission Assembly
- Metal Stamping & Assembly
- Motored Equipment Handling
- Construction
- Glass Handling & Aerospace

Coating: Black Nitrile Foam Coated

Sizes: 8/M, 9/L, 10/XL

Performance Level: 4X44F (EN)

Compliance EN 388: 2016, ANSI A6

Product Classification: Cut Resistant NBR Foam Palm Coated Glove

Composition: Nylon/Polyester, Glass Fibre, HPPE and Stainless Steel Yarn
