

PIG® Ceiling Tile Leak Diverter

TLS366 Ceiling Tiles, Diverter Only, 2' x 2'

Leak diversion system replaces damaged ceiling tile for discrete channeling of liquids until you find and fix the leak.

- Remove damaged tile and replace it with a leak diverter panel to channel away liquids
- Minimizes wet floors, damaged equipment and disturbances to workers
- Captures leaks and drips and diverts them to a drain or storage tank with included 25'L hose
- Clips let you secure hose to ceiling grids for a professional appearance
- Flow rate of 0.2 gallons per minute when used with included hose
- After leak has been repaired, simply uninstall and store for later use
- Replaces any standard 2' x 2' drop ceiling tile

Specifications
