

## Datasheet

# 6pc 1/4" Drive Tamperproof hex socket bit

RS Stock number 262-0218

### Specification

#### Material

Steel for bit: Chrome molybdenum vanadium steel

Socket body: Chrome vanadium

#### Finish

Bits: Sandblasted

Socket Body: Satin chrome finish, stamping chrome vanadium and

Sizes

#### Content

6 pc-1/4" Drive Tamperproof hex socket bits size: 5/64", 3/32", 7/64", 1/8", 9/64", 5/32"

#### Remark

Overall length of socket bits: 37mm

Length of emerged bit: 15mm

Overall length of socket rail: 115mm

#### Feature

Suitable for a range of fuel injection applications. Supplied on socket rail
