

## FEATURES

- **3 Stage Control (Fast/Normal/Float)**
- **Full Charge with Automatic Shutdown**
- **Short Circuit Output Protected**
- **Reverse Polarity Protected**
- **Overload Protected**
- **Compliant to safety standards**
- **LED Indicator Included**

## RS PRO Lead Acid 24V 2A Battery Charger with EURO, UKplug

RS Stock No.: 549-300

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The high-quality range of Automatic 3 Stage 24V Lead Acid Battery Chargers from our own RS PRO brand benefits from charging current of 2~50A and aluminium impact resistant casing. It is also supplied with UK and EU Mains Leads & Crocodile Clip Connectors.

## General Specifications

|                                    |           |
|------------------------------------|-----------|
| <b>Battery Type Charged</b>        | Lead Acid |
| <b>Number of Batteries Charged</b> | 1         |
| <b>Chemistries Charged</b>         | Lead Acid |
| <b>Batteries Included</b>          | No        |

## Electrical Specifications

|                                |                |
|--------------------------------|----------------|
| <b>Input Voltage</b>           | 100 to 240V AC |
| <b>Plug Type</b>               | EURO;UK        |
| <b>Number of Charge Stages</b> | 3              |

|                          |                           |
|--------------------------|---------------------------|
| <b>Output Data</b>       |                           |
| <b>Charge Current</b>    | 2A                        |
| <b>Output Voltage</b>    | 24V                       |
| <b>Output Connectors</b> | Crocodile Clip Connectors |

## Mechanical Specifications

|                   |                         |
|-------------------|-------------------------|
| <b>Dimensions</b> | 120mm x 61.6mm x 37.4mm |
| <b>Weight</b>     | 500g                    |

## Approvals

|                                  |                |
|----------------------------------|----------------|
| <b>Compliance/Certifications</b> | CE Certified   |
| <b>Safety Standard</b>           | RoHS Compliant |
