

STEED E3041

A steed; a trusted companion; a dependable workhorse; made of durable long-lasting polycarbonate and lightweight TR90 plastic. For all-day comfort, the Steed sports a vented metal-free frame that helps with fogged lenses and comfy rubber tips on all skin-contact points. The Steed is also able to accommodate extremely high prescriptions and high astigmatism.

- Lightweight impact-resistant TR90 frame
- Vented TPR browguard
- Dual density injected anti-slip skull-grip polycarbonate temples
- Impact-resistant integrated TR90 side shields
- Soft TPR universal-fit nose pads
- Metal-free: does not contain any metal parts
- Tested to ANSI Z87.1-2010 and complies with SS473:2011 standards

Product Code	Product Code Description
340WSE30411F57	Blue, Frosted frame, Clear lens HC
340WSE30413C57	Grey, Clear frame, Clear lens HC
340WSE30413F57	Grey, Frosted frame, Clear lens HC
