Silver Steel Rod, 1m x 12mm OD

RS Stock No.: 437-7196

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These versatile silver steel rods are fully compliant with BS1407 (silver steel standards). Each steel rod comes in a 1-metre length with an outside diameter of 12 mm. Silver steel is an excellent multi-purpose choice for use in punches, pinions and gauges. As part of the trusted RS PRO range, these rods have been strictly tested for consistency and quality. They're ground to very close tolerances (+0/-0.015 mm) making them an excellent choice for dowels, spindles and shafts that demand accuracy.
