## Product Description

Introducing the range of RS PRO Thumb Screws, a high-quality fastener solution for a use in a wide range of applications with a hand-tightening/loosening feature. Each fastener is made from steel with a zinc coating and offers a shoulder/no shoulder option, making them much more cost-effective than their stainless-steel counterparts, while still offering a high level of protection against surface rust and oxidation.

Applications:

- Household applications
- Electronics
- Consumer products
