RS PRO White LED Strip 1m 24V

RS Stock No.: 111-3736

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The LS Series is a family of 1 m and 5 m flexible LED strips. Available in a variety of colour options, these flexible LED strips have a self-adhesive back for easy fixing into place. Their flexibility enables them to adjust to different shapes, following curves and corners.
