RS PRO HSS M12 Spiral Point Tap Set

RS Stock No.: 427-963

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the 7 pieces Tap set from our own brand RS PRO, a high-quality compact set of high-performance taps is ideal for professional and DIY cutting a thread into materials with a tap wrench or drill driver. The 7 piece set features an HSS (high-speed steel) construction for enhanced durability and resistance to corrosion. These excellent quality taps are suitable for thread sizes M3 to M12 and are supplied with a durable metal case, ensuring excellent protection when not in use whilst keeping the pieces organised.

RS PRO 7-Piece Tap sets are available in two options to choose from:

- RS PRO 7-Piece HSS Spiral Flute Tap Set - 427-931
- RS PRO 7-Piece HSS Spiral Point Tap Set - 427-963
