## RS PRO Mini DisplayPort to DVI, HDMI and VGA Adapter

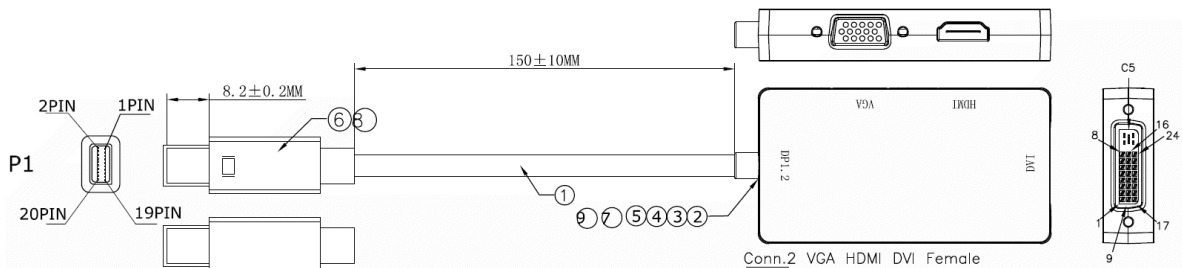

Stock number: 195-4281

EN

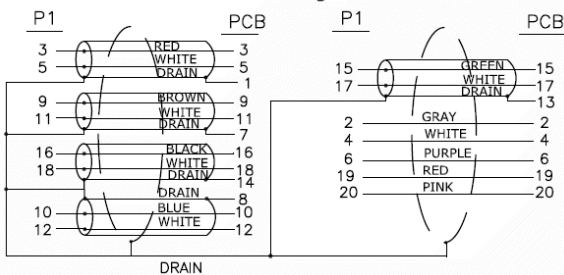

The RS-PRO Mini DisplayPort (male) to DVI, HDMI and VGA adapter is designed to let you connect either a DVI, HDMI or VGA monitor to a computer or graphics card that has a Mini DisplayPort output.

The outputs can support one simultaneously connected monitor; multiple monitors are not supported with this adapter.

Our adapter has a white ABS shell and white PVC jacket on the cable flex.
